Carrier.....	Q.S.	

Indication:

Specially formulated Premix containing essential vitamins, enzymes, probiotics and minerals for better performance.

Benefits

This poultry premix is designed to help chickens grow faster and healthier.

It is especially beneficial for the bird's leg and liver health, as well as their overall vitality, feathering, hatchability, and liveability.

It improves the quality of poultry feed, making it an excellent ingredient for anyone looking to achieve optimal results in chicken farming.

Usage & Administration:

Mix 3 kg per ton of feed

Presentation:

3 kg
